**"How sweet are your words to my taste, sweeter than honey to my mouth!" Psalm 119:105**

**TASTE THE HONEY!** Experience God's Word in a totally new and refreshing way. We'll hike a lot and sweat even more, but as we learn, pray, and experience the Holy Land together, we'll begin to understand Scripture in its original context of time, culture, and place. We'll hike the ancient paths of Israel and Jordan, learning and studying as we journey, much like the Jewish disciples in Biblical times followed their rabbi. We'll explore many Biblical sites that are seldom visited. Our study of specific cultural, archaeological and geographic sites will give us new insights into our Biblical roots, strengthen the foundations of our faith, and help us understand more of what it really means to be disciples of our Rabbi, Jesus.

**Wyn Laidig** is the owner of a manufacturing company in Mishawaka and currently serves on the Board of Trustees of Bethel College. His background includes several years as a tenured professor at North Carolina State University, followed by over 15 years in Indonesia with Wycliffe

Bible Translators. He has traveled extensively, including many trips to the Holy Land. It was on his first trip to Israel, with Ray VanderLaan and *That The World May Know Ministries*, that God ignited His passion within Wyn for walking in the footsteps of our Rabbi, Jesus. Since that time, Wyn's primary ministry focuses on helping others know and experience the richness of God's Word through these unique study trips to the Holy Land.

**Joseph Mullet** is both a business owner and pastor from Sugarcreek, Ohio. He has traveled several times to Israel with Ray VanderLaan and *That the World May Know Ministries* and frequently serves as an itinerant teacher on the Hebraic context of Scriptures. Joe is passionate about modeling and teaching discipleship as defined by the Jewish context in which Jesus taught, and is excited about helping others experience the Bible on a trip that is likely to be the spiritual adventure of a lifetime.
